Group Discussion

Read Hebrews 4:14-16

What is one thing you took away from the sermon?

When you use the word holy how do you normally think about it?

What is one area in the life of the church that could where you most clearly see
approachable transcendence?

In the sermon Sam made the comparison between Grandma’s china and a paper plate
to explain “beyond the Common” is God. Can you think of another comparison that
illuminates how special God is?

Why do you think it is important that we understand the transcendence of God?

Why do you think it is important that we connect the word approachable to the word
transcendence?

Digging Deeper

Read Isaiah 6:1-7

Are the Angels able to fully experience the holiness of God in the passage?

Why do you think Isaiah says what he did in verse 5?

Put yourself in this passage...what would you have said?
